Good afternoon, Ken.

I wanted to let you know that I have an inquiry out to Jonathan Peress and Natalie Karas in follow up to the voicemail you left me last week (re: securing a copy of their slide deck and info on the state that requires utilities that sell excess gas on the secondary market to split those profits with rate payers). As soon as I am in receipt of those materials, I will pass them to you.

If there's anything else I can do in the meantime, please don't hesitate to reach out.

Best,  
Jennifer
